

Vote FOR Prop. A Don't Let Them Hurt Austin Schools

Some Texas Legislators refuse to adequately fund public schools. Their extremist allies are campaigning against Austin school bonds.

Please vote! Our children need our help. **Protect Our Schools From Extremists Hostile to Public Education**

Under the unfair Texas school finance system, over half a billion dollars of AISD school taxes are sent to other districts every year. But bond funds are not subject to that unfair law. Every penny of our bond funds will be spent on Austin public schools.

Austin Chronicle and American-Stateman say: **Vote FOR Proposition A**

Travis County Democrats say: **"Vote for public education."**

Early Voting Ends Nov. 3 Election Day Nov. 7
