We've got a problem with **GROWTH** Either we control it...or it controls us

BOBBY LEVINSKI IS THE ONLY COUNCIL CANDIDATE WORKING TO MANAGE GROWTH

- Reform the property tax system to close corporate loopholes and quit dumping the burden on homeowners and renters.
- Plan and direct new development to distribute it for better traffic flow and infrastructure planning.
- Protect existing neighborhoods and the green space we love.

"Taxes are higher. Traffic is worse. Our quality of life is threatened. It's time to take our heads out of the sand."

-Bobby Levinski

BOBBY LEVINSKI

For Southwest Austin

Bobby says: “Stop city subsidies to developers and stop recruiting growth for growth’s sake.”

Bobby is the only candidate who has fought to protect Southwest Austin neighborhoods from growth and over-development.

Bobby supports giving the voters the right to vote on citywide zoning changes like CodeNEXT that affect our neighborhoods.
