

Pd. Pol. Adv. by Committee for Austin's Children PAC

I WISH I MAY.

I WISH I MIGHT.

HAVE A SCHOOL

THAT'S SAFE

& BRIGHT!

The average Austin school is over 40 years old. Many have critical structural and safety issues. Every school in the district will get bond funds for badly needed repairs and renovations. New or modernized schools will be constructed to end overcrowding and improve facilities.

YOU CAN DECIDE THE FUTURE OF **AUSTIN'S** **SCHOOLS!**

Structural damage closes Brown Elementary for the school year

kxan

With an average age over 40 years, Austin schools desperately need repair and renovation. Sixteen schools will be built or modernized. Every school in AISD will get funding.

ADVANCED PROGRAMS AND AN A+ RECORD

AISD exceeds state and national averages on the SAT and ACT tests. It's 83,000 students have a 90% graduation rate—highest in history. Proposition A will enable AISD to launch a new magnet school and improve facilities for Early College programs.

NO TAX RATE INCREASE. AND OUR MONEY STAYS HERE

Under the Texas school finance system, half a billion dollars a year of Austin school taxes are sent to other districts. But our bond funds are not subject to that law. All bond money will be spent here at home in AISD.
