

KATHIE TOVO

A STRONG PROGRESSIVE VOICE on the City Council

- Sponsored laws against sexual harassment and discrimination
- Helped lead effort to end millions in subsidies to developers
- Leading Environmental champion for clean energy and protecting our lakes and water

NEIGHBORHOOD DEFENDER:

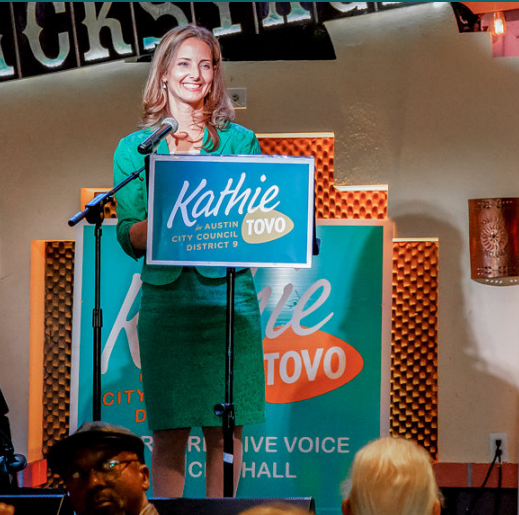

Kathie fought against corporate developer plans to dump massive new growth into Central and East Austin neighborhoods and add thousands of people and cars to already dense neighborhoods. She says growth should be distributed throughout the city, not stuffed in one area.

KATHIE TOVO

LEADER AND REFORMER

- Strengthened Affordable Housing requirements on new development projects
- Co-sponsored ordinance requiring large businesses to provide paid sick leave
- Successfully campaigned to make electric rates fairer to average families
- Supported property tax exemptions for seniors and disabled homeowners

“CHAMPION OF WORKING FAMILIES AWARD”

by AustinWorker’s Defense Fund, for Kathie’s work for social justice

Kathie has publicly stood up against the Trump agenda on social justice, economic inequality, women’s health and climate change.

She supported funding for 50 miles of new sidewalks, bikeways and urban trails; she led efforts to protect renters and hold landlords accountable for safety; and she sponsored law that any corporation receiving city incentives must pay a living wage and domestic partners insurance.
