

# "Why Did You Vote Against My School, Mr. Garza?"

**Representative John Garza voted to slash state funding for schools by over \$4 billion.\* That hurts San Antonio schools.**

Northside ISD had to reduce its budget by \$61 million while cutting new teacher positions and support staff. South San Antonio ISD cut librarian positions by two thirds, while cutting support staff.

Garza won't close the tax loopholes that cost Texas billions. He won't make big corporations pay their fair share. He cut school funding instead. We need to support our students, not deprive them of opportunities.

**JOHN GARZA HAS  
THE WRONG PRIORITIES  
ON EDUCATION**
